## DEWSBURY.

MIRFIELD FLORAL AND HORTICULTURAL SOCIETY.  
—The committee of this society have issued their circular, from which it appears that the exhibition is to be held on the 21st of August, in a marquée near to the Black Bull Inn, and the Mirfield Railway Station. A large number of prizes are to be given, and amongst them three silver cups for the best three trays of vegetables. It is expected the show will be a good one.
