

BAZAAR AT RAVENSTHORPE.—Yesterday Mr. Samuel Walker, of Hopton, opened a very fine bazaar in the Ravensthorpe Congregational Church School. The object is to raise £250, to clear off the debt made by the renovation of the church. The room presented a splendid spectacle. The subject depicted was "Icy mountains in mid-winter." There are six stalls. At the opening there was a large assemblage of Ravensthorpe, Mirfield, and Dewsbury ladies and gentlemen and ministers.
