

At a meeting of ladies and gentlemen held at the Masonic Hall, Mirfield, yesterday afternoon, presided over by the Rev. H. Walshaw How, Vicar, it was resolved, on the motion of the Rev. J. H. Best, of Hopton, supported by Mr. Chaley Fox, of Dewsbury, to support the Mirfield Nursing Association in its endeavour to meet the wants of the sick poor by supplying them with trained nurses. The thanks of the meeting were given to Mrs. Brooke and Mrs. How for arranging for the meeting, and so stimulating a very benevolent movement.
